## IMPACT

"The NSF scholarship has been a huge help for me. It gave me ₹25,000 each year, which helped pay for my tuition, hostel fees, and even allowed me to buy a laptop. As a computer science student, this support has made a big difference in my learning and skill development. Thank you for this opportunity."

Sukhana Tarunu  
Hyderabad

"I'm in my final year of MBBS at Osmania Medical College. I have been receiving the NSF Merit Scholarship since my first year. This scholarship has helped me a lot, especially when the company where my father worked had closed, and we faced financial difficulties. I'm very grateful to the NSF Foundation. I hope to help other students in the future, just like NSF has helped me."

Ms. Beela Anusha  
MBBS Student, Year 2018-2023

Through our scholarship programs, we have supported thousands of students in their educational journeys, helping them to achieve academic excellence and pursue successful
